

DATATRAVELER II PLUS

Feel a Need for Speed?

COMMITTED TO MEMORY

Break records with Kingston's DataTraveler II Plus.

When your customers need high-performance, portable storage, Kingston's DataTraveler® II Plus USB 2.0 flash drive delivers. It lets them store, carry and transfer important digital files in a reliable, secure device that breaks speed records and blasts through storage barriers.

Your customers get speed and reliability, and you get all the benefits of doing business with Kingston® — high margins, 24/7 technical support worldwide, evaluation units, direct drop shipments, RMA cross-ship and our Preferred Reseller Program.

Why choose the Kingston DataTraveler II Plus?

- **Speed** — designed for high-speed applications with best-in-class performance
- **Customizable** — our unique co-logo program is tailored to your customers' business
- **Safeguarded** — SecureTraveler security software* protects data from unauthorized access
- **Cost-Effective** — delivers one of the lowest cost per megabyte data transfer ratios for a USB flash drive
- **Profitable** — the Kingston brand guarantees quality and unsurpassed reliability to help you maximize profits
